WEB DEVELOPER FIREFLY CREATIVE

Healdsburg, CA
2013 - Present

Currently developing responsive websites by way of rapid prototyping and semantic-oriented programming. Implemented a 'one-click' deployment / management system via Git.

SENIOR DEVELOPER SYNAPSE GROUP

Petaluma, CA
2005 - 2013

Created high-end web applications and advertisements, with an emphasis on Flash / HTML5 development. Helped create Syndeca, an interactive magazine built on an MVC framework.

FLASH DEVELOPER Q DESIGN

Santa Rosa, CA
2002 - 2005

Tasks included website design and layout, GUI creation, site maintenance and administration, Photoshop production, and Flash development.

SENIOR DEVELOPER KRECK DESIGN

Santa Rosa, CA
2000 - 2002

Worked directly with clients, bringing concept to completion. Enhanced by a redeveloped proofing system, projects included site development and identity design.

WEB DEVELOPER AUTODESK

San Rafael, CA
1999 - 2000

Part of a modest team responsible for the company's flagship websites. Tasks included HTML programming and image production.

DESIGNER LUTHER BURBANK CENTER FOR THE ARTS

Santa Rosa, CA
1998 - 1999

Delivered full page advertisements and assorted promotional materials, while maintaining the company website.

FREELANCE DEVELOPER JUDAH NAGLER

1997 - Present

Production work for a wide range of clients: HP, Skype, Nordstrom, MLB, Sharpie, American Idol, Shutterfly, Martinelli Winery, J Vineyards, and Slangman's World.

SANTA ROSA JUNIOR COLLEGE

1999 - 2001

DESIGN & WEB DEVELOPMENT

Studied graphic design for web and print, computer programming, and animation.

SONOMA STATE UNIVERSITY

1997 - 1999

MUSIC THEORY & COMPOSITION

A musician since the age of 5, collegiate studies focused on theory, composition, and ear training.
